

**Superior Tube's John Reinhart to serve on 2007 ITA/TPA Conference Committee
(1/7/2007)**

This first ever collaboration of the International Tube Association (UK) and the Tube & Pipe Association, Int. (USA) is aimed at producing a major technical event devoted to the manufacturing of seamless and welded tubular products. (www.pipe-houston.com)

John served on the Conference Committee of TPA's most recent 2006 Extrusion, Drawing & Tube Reducing Conference in Scottsdale, AZ.

He has chaired and moderated numerous TPA/EDTR conferences and workshops.
